LILA SKINNER MUNN

I was born in Sumpter but grew up in Bishopville, South Carolina. I started going to the beach as a child and would stand around and watch all the "Good" Dancers. I knew then and there that I liked it and wanted to be a part of it.

At home, my Mother and Father ran a Restaurant and I also watched people dancing there. Some of my friends at that time were Peggy Andrews, Betty Ann Kelly, Sherbie Knight, and Peggy Stewart.

As a matter of fact, my first beach "Home" was the Andrews house right across from the O.D. Pavilion before it was blown away by Hazel.

One of my favorite dancing partners then was Doodle Munn from Florence. Little did we know back in the early fifties that we would be married now and still dancing together.
