FRANCIS LEE

Probably of all shaggers that have come to the beach I'm best known to be the biggest beach bum of all 1945 the year it all began, can't begin to tell all the stories and great things that happened at the beach that all revolved around the then Jitterbug now the shag.

Nobody had any money, all we had were friends, beach friends that over the years have become one of the most precious and proud things of my life. Shagging has not only been one of my greatest enjoyments but also one of the most important things in my life that I have had with all my friends from the 40's to the 90's such as Leon Williams, Harry Driver, Lamar Johnson, Doodle Munn, Bobby Sumersett, Harry Hitopoulos, Vera Munn Williams, Jean Allen Ferguson, Betty Catron and Janet Morris. Now you realize what the dance has done for me. All of this happened at Ocean Drive and Folly Beach

The good Lord has been so good to me with my wonderful wife Lynn of 42 years and two sons, Frankie and Jimmy and besides all this, now I'm honored to be inducted in "The Shaggers Hall of Fame". Thanks to everyone and you'll never know how complete this makes my life.
