## **MONTINE CAMPBELL BRIDGES**

I was born and grew up in Randolph County, North Carolina and graduated from Randleman High School where I was a majorette. After school I spent the next 27 years working as a hairdresser in Asheboro, North Carolina. During this time I married and raised two wonderful children Kelli Campbell and Jason Campbell.

I have always loved to dance and I learned how to shag at The Bushes in Greensboro, North Carolina. My husband, Connie, and I competed successfully in many SPA contests all over North and South Carolina from the 1980's thru 2000's. We also taught Shag lessons in the Greensboro area for a time before moving to North Myrtle Beach in 2006.

My being elected to the Hall of Fame is one of my most cherished honors I have ever received in light of the fact that I love the music, the dance and the friendships I have made in the shag community.
